SPECIFICATION NOTES

- All figures are nominal manufacturing values subject to normal production tolerance. Slight variation in thatch texture and dye lot color between rolls is expected and is not a defect.
- Superior Turf Direct supplies materials only and does not perform installation. Base design, compaction, and installed drainage are the responsibility of the installing contractor.
- Order the full job together and run every piece in the same pile direction. A reversed piece reads as a color change.
- Compliance statements reflect the manufacturer's declaration. Third-party lab reports are available on request.
